Comments:

Dr. McGarry is a Life Skills Teacher for the Hillsborough Township School District, teaching classes to elementary school kids about drug, alcohol and tobacco prevention as well as good nutrition, self esteem and character building units. She is also an Art Appreciation Teacher for the District and member of AAUW - American Association of University Women - a nationwide organization that encourages women to pursue higher education and ensures fair and equitable treatment of women in the workplace and in educational opportunities. Dr. McGarry also volunteers as a preceptor for the RWJMS medical students Promise Clinic.
