International Medical Graduates: Changing our Teaching Strategies for Changing Residents

April 1, 2009

9:00 A.M-12:00 p.m.
Child Health Institute (Room 3101)

Katherine Neely, M.D.
Program Director, Forbes Family Medicine Residency
Monroeville, PA

Goal for Workshop:

To improve personal, programmatic and resident satisfaction and outcomes by spending focused time exploring things we don't often talk about but which impact our programs and the quality of teaching we provide to our residents

Objectives:

By the workshop's end, attendees will be able to

- **Gain insight into the training and background experience of many IMGs**
- **Increase understanding of the perspectives of and challenges facing new IMG Family Medicine residents**
- **Develop strategies for program modifications to maximize the learning environment for IMGs and minimize faculty frustration**
