

Department of Family Medicine
Summer Family Medicine Preceptorship

Students who have successfully completed their first year may apply for a summer preceptorship opportunity. Preceptorships will be scheduled for two weeks. Each student will work with a Board Certified Family Physician in his or her office. Student's role will range from "shadowing" to participating in history taking and physical exams, based on the student's level of experience and training. Students will also have the opportunity to go on hospital rounds, attend hospital meetings and educational presentations. Program includes a half-day orientation. This opportunity is geared primarily towards **students considering a career in family medicine.**

Students will participate full-time (4-5 days per week) for two weeks. Start date is flexible. Enrollment is limited and preceptorships will be granted largely on a first-come, first-serve basis. **This opportunity is available to RWJMS students only.** To apply, complete the application and return it to Lisa Dooley in the Family Medicine office - RWJMS, Rm. N106. For additional information call 732-235-4200 or email Dr. Afran (afranjo@umdnj.edu) or Ms. Dooley (dooleylc@umdnj.edu). No stipend available.

Applications must be returned by March 1, 2009
