

# GRADUATE SCHOOL OF BIOMEDICAL SCIENCES

University of Medicine & Dentistry of New Jersey

## Approval of Examination/Dissertation Defense Committee Membership

The purpose of Examination/Dissertation Defense Committee is to guide the candidate during the period of thesis research including approval of the Final Examination/Dissertation Defense. The Committee consists of the thesis advisor (mentor) and at least two additional individuals, at least one of whom is outside the student's department. This Committee serves as the Final Examination Committee at the Dissertation Defense, and must approve the thesis in order for the degree to be awarded.
